

# PowerConf

Portable Bluetooth/USB-C Speakerphone with Professional Call Quality for Both Office and Personal Use

## 360° Voice Coverage

6 microphones pick up voices clearly from any part of the room.

## Superior Clarity

Digital signal processing intelligently reduces background noises for fewer distractions. PowerConf's speakers also broadcast the other side's voice clearly.

## Smart Voice Enhancement Technology

Voice pick up is optimized based on the person currently speaking to ensure the other end hears you clearly.

## 24-Hour Call Time

A single charge effortlessly powers multiple meetings.

## USB-Port with PowerIQ

PowerConf is equipped with Anker's proprietary charging technology to conveniently charge your devices on the go, or while you're mid-meeting.

## Convenient Connection

Connect to your devices via USB-C cable or Bluetooth.

## Universal Compatibility

Use with all leading meeting platforms such as Skype for Business, Zoom, Webex, and GoToMeeting.

## Travel Ready

Lightweight and compact build makes PowerConf ideal for taking on business trips. Travel case is also included.
